Then: I always wanted attention. I was the firstborn and a little princess. **Now:** I still like the attention—but I don't cry as much! **Sensing sex appeal:** When I was the only girl in class who wore a bra and when I won a bikini contest at 18. **Guilty pleasure:** McDonalds. **Indispensable:** Music and my family. Oh yeah, and food! **Nicknames:** Porky or Sarah Bear.

ANNALYNN

NEW MEXICO STATE LAS CRUCES, NM

Roots: I was born in Siberia, lived in Lithuania for a while, then settled in Washington state. **On the town:** My friends and I love to dance on podiums or around poles at clubs. We can attract quite a crowd, but who doesn't like being the center of attention? **A walk on the wild side:** In bars there are always lines for the girls' restroom, so I usually use the men's. One time when I was done I saw this cute guy come in so I kissed him and we started making out!

As a kid: I was really goofy and silly—always getting into trouble for stupid stuff. **As an adult:** I'm still silly and always laughing, but also laid-back and something of a nerd. **At leisure:** I enjoy working on cars, snorkeling, skydiving or hiking. **Bragging rights:** My 1949 Chevy Fleetline was featured in *ModVid* magazine!

Strong point: Not to be a dork, but I think I'm a great student. I'm hard-working when it comes to class. But, hey, if you work hard you can party hard, right? **On the town:** I love going out with my girlfriends and checking out all the bars and house parties near school. **Bed mate:** I need a guy who's straight with me and wants to have a good time.

Now I've set my sights on owning a salon and spa.

Teen hottie or wallflower? I was somewhere in between—kind of cute, but kind of not. But I was very fun and outgoing. **Mr. Right:** Is passionate, intelligent, sexy, driven and a fun-loving free spirit. **Mr. Wrong:** Has a bad attitude and is selfish in bed. No woman likes a one-minute man. **Self-indulgence:** A \$300 Louis Vuitton purse. **Nickname:** Crickle.

ALUMNA OF
THE MONTH
Cassandra Lee

If you've been a fan of the *College Girls* franchise for a few years you may be familiar with the body of work of our inaugural *Alumna of the Month*—Cassandra Lee. At the time these photos were taken this natural beauty from the great Northwest was a psychology major at the University of Washington. Her freshman SE appearance came in *College Girls Nude '03* and then she transferred into *Wer & Wv* '05 with an incredibly sexy and slippery pictorial. When we came across this set of unpublished photos of Cassandra we knew it was time to put her at the head of the Special Editions alumnae class.

COED CONFESSIONS

LAYA LEOWN

Bookworm or party animal? I love to stay in with my dogs, wear my PJs and order take-out. But when I do let the party girl in me out I'm pretty wild—I've won a few wet t-shirt contests in my day. Crazy coed moment: On road trips with my girlfriends we like to stop in middle-of-nowhere towns and flirt with the country boys. Once we got pulled over for driving a little too fast while flashing a car full of guys next to us on the highway—but we talked our way out of that ticket! On key: Right now my favorite songs are *Irreplaceable* by Beyoncé, *Gaitya* by Mario Vasquez, *Landing in London* by 3 Doors Down, and *Lips of an Angel* by Hinder.

JENNIFER KALI

Cramming comfort: Pizza, junk food, lattes and Red Bull, but especially Ben & Jerry's Chunky Monkey ice cream—I'm addicted! Party blooper: While dancing at a toga party someone stepped on my costume and it ripped completely, leaving me in nothing but my bra and panties. My girlfriends were so cool that they also stripped down to nothing and we kept dancing. Let's just say no one complained! Quiet, please: The library is one of the sexiest places to hook up with someone. One time I knew that my boyfriend was studying hard so I surprised him at the library and inspired him to take a break. That night we explored the best places—the stacks, the staircase and the copy machine room. Shhh!

SARAH PORCHETTA

Wildest weekend: That's a tough one because I'm only in my first year, but I would have to say going out with my friends gets crazier and crazier every time. Three words: naked body shots! Steam valves: I've always been a dancer, so that helps. My girlfriends are always there when I need them and having a movie night in with them works. Another good stress reliever is when my boyfriend comes over and treats me like a real woman! On my iPod: Justin Timberlake's *Chop Me Up* and Buckcherry's *Crazy Bitch*.

NAKED TRUTH: INBOX

FROM: M.C. Subject: Martz On!

Thank you for another great issue of *College Girls*. I was thrilled to see more beautiful photos of Nikole Martz. She is the best model I have ever seen in your magazines—she would be a great choice for Model of the Year 2007.

FROM: James A. Subject: Unbuttoned Rhapsody

Thank you so much for an awesome new *College Girls* featuring the Girls of the Big 12. I especially enjoyed the unbuttoned-shirt cleavage pic of Amanda Adams on page 58—it was worth the price of the entire SE! Please feature more of these types of pics with sweaters and dress shirts—very erotic and better than full-frontal topless. It leaves something to the male imagination.

FROM: J.E.B. Subject: College Initiation

I really enjoyed the Jan/Feb *College Girls* issue. I was particularly impressed by the dazzling debut of Taryn Terrell. Her cover and accompanying pictorial were absolute slam dunks of sexiness. Any opportunity to see more of this standout in future SEs would be greatly appreciated.
